

Shoreham West Cooperative BEPS story

Our history:

Insufficient sustained Board attention

- 2019 hired firm to calculate baseline score; poor recording of data with DOEE.
- November 2020: Level 2 audit. *Audit firm #1*
- 2021: Phase 1 audit report. *Audit firm #2*
- 2022: Formed Board Committee.
- Oct 2022: BEPS Pathway Report. *Audit firm #3*
- February 2023: replacement Phase 1 audit report. *Audit firm #4*
- March 2023: Phase 2 audit report. *Same firm!!!*

What have we done?

- Performance Pathway
- Selection criteria
- 15 energy reduction measures
- Total cost \$1.7m; total annual savings \$50,000; total projected energy use savings 27%
