

Co-op Coalition Survey: Electronic Voting

Thanks to the 15 members who took the time to respond to this survey. Of the 15, only one reported using electronic voting. Following is the original question and the table with one response.

Mike O'Dell, Director
DC Cooperative Housing Coalition

In December 2016, we sent a survey about voting methods. This member-requested survey wants to know what companies are used by co-ops for electronic/on-line voting. Please send your response by Friday, October 26.

Q: If your community uses online voting for your annual meetings, what vendor do you use and would you recommend them?
